

-:ANNOUNCEMENT:-

13th CME on Stepwise Approach to Interventional Pulmonology

Organized by Institute of Pulmonology, Medical Research & Development

Date & Venue:

31st May 2019: Fortis Hiranandani Hospital, Vashi, Navi Mumbai

1st & 2nd June 2019: Hotel Sofitel, Bandra Kurla Complex, Mumbai

Institute of Pulmonology Medical Research & Development (IPMRD) is engaged in enhancing clinical, research and educational activities in the field of respiratory medicine.

We are pleased to announce our 13th National CME on Stepwise Approach to Interventional Pulmonology on 31st May, 1st & 2nd June 2019 at Mumbai.

This CME shall be a combination of live demonstrations of cases, thoracic ultrasound workshop, symposia with discussion sessions along with Master Classes in the field of Interventional Pulmonology. We aim to cover basic understanding, practical approaches & newer advances in the field of Interventional Pulmonology.

How will IPL-2019 be?

This year the course program will be for three days. IPL LIVE will consist of live demonstration of cases on day 1. We also plan to have a thoracic ultrasound workshop on day 1

The 1st half on day 2 and day 3 shall be didactics & cover the clinical aspects of a disease in which there is a role of diagnostic and therapeutic interventional pulmonology procedures

During IPL 2019 we shall have 2 half days of masterclass (day 2 & day 3) which shall be in the form of breakout sessions. Each breakout session will focus on a particular technique and cover clinical and technical aspect of the procedure along with hands on training. Some of the breakout sessions with limited duration, will be rotational. The Master Classes with enhanced duration will have limited registrations. The delegates opting for such dedicated Master Classes will not rotate through other Master Classes on that particular day. Registration for masterclasses is on first come first basis.
