Interventional Pulmonology League- IPL 2017

Announcement

Interventional Pulmonology League - IPL 2017

11th CME on Stepwise Approach to Interventional Pulmonology

Organised by **Institute of Pulmonology, Medical Research & Development**

Under Auspices of Indian Chest Society West Zone

Date & Venue: **3rd & 4th June, 2017. Hotel Sofitel, Bandra Kurla Complex, Mumbai, INDIA**

Institute of Pulmonology Medical Research & Development (IPMRD) is engaged in enhancing clinical, research and educational activities in the field of respiratory medicine.

IPMRD has been conducting academic workshop's, CMEs on Interventional Pulmonology for the last eight years. We are pleased to announce our 11th National CME on Stepwise Approach to Interventional Pulmonology on 3rd & 4th June, 2017 at Mumbai.

How will IPL 2017 be?

We deeply appreciate the feedback received from our participants, who have attended our previous workshops. The symposia and masterclasses have been designed by taking into account the feedback we received.

This CME shall be an unique combination of symposia with discussion sessions along with masterclasses in the field of Interventional Pulmonology. We aim to cover basic understanding, practical approaches & newer advances in the field of Interventional Pulmonology.

The 1st half on both days shall be symposia & cover the clinical aspects of a disease in which there is a role of diagnostic and therapeutic interventional pulmonology procedures.

During IPL 2017, we shall have 2 half days of masterclass which shall be in the form of breakout sessions. Each breakout session will focus on a particular technique and cover clinical and technical aspect of the procedure along with hands on training.

There will be a half day masterclass dedicated to conventional bronchoscopy. The other masterclasses will be rotational. The last half hour on both days after the rotational masterclasses will be open for all to choose an area where the participant would like to spend more time on a particular workstation.

This year IPL 2017 also invites submission of abstracts in form of original papers, interesting cases and case videos. The selected abstracts shall be presented in the form of oral presentations or posters, based on the decision of the selection committee.

Secretariat for all correspondence:

Provisional Scientific Program

11th CME on Stepwise Approach to Interventional Pulmonology
 Organized by **Institute of Pulmonology, Medical Research & Development**
 Under Auspices of **Indian Chest Society West Zone**

Date & Venue: **3rd & 4th June 2017**. Hotel Sofitel, Bandra Kurla Complex, Mumbai, INDIA

| | |
|---|--|
| Symposium 1: Pleura | Symposium 9: Bronchoscopy Lung Volume Reduction in COPD |
| Role of Pleuroscopy recurrent pleural effusion | Patient selection and work up: Radiology |
| Role of pleuroscopy in Empyema | Patient selection and work up: Physiological |
| Approach to management of trapped lung | Current status of BLVR |
| Role of pleural fibrinolytics in pleural effusion. | Symposium 10: Pediatric Interventions |
| Role of pleuroscopy in primary and Secondary Pneumothorax | Pediatric flexible bronchoscopy |
| Symposium 2: Interventional Pulmonology in Thoracic Tuberculosis | Pediatric EBUS TBNA |
| Diagnostic conventional bronchoscopy | Therapeutic pediatric bronchoscopy |
| EBUS Guided Methods | Interactive Master Classes |
| Therapeutic Bronchoscopy | Master Class 1: Conventional Flexible Bronchoscopy |
| Pleural specimen sampling and interpretation | Anaesthesia and Sedation: Contraindications |
| Symposium 3: EBUS TBNA: Radial Probe | Bronchoscopic Intubation: When and How? |
| Interpretation of radial probe imaging | Diagnostic Techniques: BAL, EBB, TBLB |
| Role radial probe EBUS in benign & malignant lesions | Conventional TBNA |
| Radial probe EBUS: Landmarks, Technique, When to use | Bronchoscopy in ICU and Ventilator Associated Pneumonia |
| Symposium 4: Radial probe EBUS - FNA | Bronchoscopy in High Risk Individuals/Situations |
| Bronchoscopic voriconazole in Aspergilloma | Bronchoscopy Disinfection |
| Bronchoscopy in Hydatid Cyst | Bronchoscopy in Hemoptysis |
| Symposium 5: Interventional Pulmonology: Risks and Repairs | Sample Handling, How to collect & What to send |
| Pleuroscopy | Following master classes will have Didactics on Techniques and Work Station |
| Rigid bronchoscopy | Master Class 2: Rigid Bronchoscopy and Airway Stents |
| EBUS TBNA: Convex probe | Master Class 3: Electrocautery+ cryoprobe in interventional Pulmonology |
| EBUS TBNA: Radial probe | Master Class 4: Convex Probe EBUS TBNA + Radial Probe EBUS |
| Symposium 6: Thoracic Ultrasound | Master Class 5: Percutaneous Tracheostomy |
| Know the Ultrasound machine | Master Class 6: Thoracic Ultrasound |
| Interpretation of thoracic ultrasound images | Master Class 7: Pleuroscopy |
| Thoracic ultrasound guided pulmonary interventions | Master Class 8: Radial Probe Endo Bronchial Ultrasound |
| Symposium 7: Interventional Pulmonology in Interstitial Lung Diseases | Oral Papers / Video Case presentations |
| Current status of BAL and conventional TBLB in ILD | |
| Current status of cryo – TBLB in ILD | |
| Current Status of VATS Lung Biopsy in ILD | |
| Symposium 8: Role of Interventional Pulmonology in Thoracic Oncology | |
| Targeting the solitary pulmonary nodule: | |
| Targeting Malignant Pleural Effusion | |
| Impact of EBUS TBNA in Thoracic Oncology | |
| Impact of Interventional Techniques in Thoracic Oncology (Debulking, Stents, TOF) | |

Abstract Submission Instructions

Interventional Pulmonology League - IPL 2017

11th CME on Stepwise Approach to Interventional Pulmonology

Organized by **Institute of Pulmonology, Medical Research & Development**

Under Auspices of Indian Chest Society West Zone

Date & Venue: 3rd & 4th June 2017. Hotel Sofitel, Bandra Kurla Complex, Mumbai, INDIA

- Abstract should not be longer than 250 words.
- Abstract title must be less than 15 words and express the essence of the research.
- Name, last name, title, institution, city and contact details of authors must be stated clearly.
- Presenting author must be stated.

Abstract (for research papers) should be divided into sections as below:

| | |
|---------|-----------------------|
| Aim | Materials and methods |
| Results | Conclusions |

Abstracts of the unfinished researches will not be evaluated.

One Table or Figure may be included. Short videos (maximum one minute) may be submitted along with abstract. Video to be compressed to 20 MB and to be sent as an attachment over email.

Abstract for Case Reports should be in the following format:

- Introduction
- Case
- Conclusions

Short videos (maximum one minute) may be submitted along with abstract. Video to be compressed to 20 MB in MP4/MPEG format and to be sent as an attachment over email ipl2017lung@gmail.com

- Last date for submitting abstracts will be 10 May, 2017.
- Abstract acceptance emails will be sent to the corresponding author.
- At least 1 of the authors of each accepted abstract have to register in order to include their abstract in the final scientific programme.
- Authors of accepted abstracts will receive more information by email. For assistance, please contact the Secretariat.

Registration Form

Interventional Pulmonology League - IPL 2017

11th CME on Stepwise Approach to Interventional Pulmonology

Under Auspices of Indian Chest Society West Zone

Date & Venue: 3rd & 4th June, 2017. Hotel Sofitel, Bandra Kurla Complex, Mumbai, INDIA

REGISTRATION FORM (FILL IN BLOCK LETTERS)

*Name: _____

FIRST NAME

LAST NAME

Address: _____

*City: _____ State: _____ Pin Code: _____

*Institution: _____

*Mobile No: _____ Email ID: _____

Participating Dr's Signature: _____

REGISTRATION FEES (INR)

REGULAR

PG STUDENT

Early Bird - Before 10/05/2017

Rs. 10,500/-

Rs. 8,500/-

10/05/2017 to 31/05/2017

Rs. 12,500/-

Rs. 10,500/-

Registrations from 01/06/2017 to 04/06/2017

Rs. 18,000/-

Rs. 18,000/-

Payment Details: Bank Name & branch: _____

DD No: _____ Date: _____ Amt: _____

1. Registration is compulsory.
2. Registrations for single day will not be accepted.
3. Demand Draft to be issued in favor of **"Institute of Pulmonology, Medical Research & Development"**, payable at Mumbai. Spot registration's by cash only
4. Post Graduate trainees/ students need to provide letter from their institutional Dean/ HoD's along with their registration form and fees.
5. **Cancellation policy:** For all written request for cancellations of registration received on or before 10th May, 2017, 50% of the registration amount will be refunded one month after the conference.

No cancellation requests will be accepted thereafter.
